

Notice: Spraying of weeds on Welgevonden Estate's public green areas (parks)

Dear Owners and Residents

As required by the *Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act (No 36 of 1947)* we hereby give notice that a contractor has been appointed to treat Welgevonden Estate's public green areas with herbicide to combat broadleaf and other weeds.

Planned dates and times of spraying:

Spraying will occur on **Friday, 25 June 2021, from 08:00 – 17:00**, depending on the wind and the weather.

Areas to be treated:

All public areas, parks and green belt areas in Welgevonden Estate.

Details of the appointed contractor:

Henchem – company registration number 2018/390446/07 – has been appointed as contractor to do the work. The company is registered with the Department of Agriculture, Forestry and Fisheries (registration number: P39004).

Product to be used:

- Product type: OutPace FloWable & Super LawnWeeder.
- Where applied: Lawns, golf courses, bowling greens, sporting fields, etc.
- Composition: Simazine: 250 g/litre, Terbutylazine: 250 g/litre, Dicamba (dimethylamine salt): 120 g/litre, ae 2,4-D (phenoxy derivative - dimethylamine salt): 180 g/litre, ae MCPA (phenoxy derivative - dimethylamine salt): 157,5 g/litre ae.

The product is administered by means of spraying and poses a low toxic risk to humans, animals and the environment. (Spray height will not exceed 500 mm.) It is, however, recommended that those suffering from asthma or other breathing problems keep their doors and windows closed while spraying is underway in their proximity.

Access to treated areas:

Treated areas can be accessed the following day after spraying.

Please ensure that your family members, visitors, employees and others who might be on your premises are informed about the above and that they avoid the areas while spraying is underway, and until the following day after spraying.

General:

It is impossible to demarcate the areas to be treated due to their size and vastness, but notices will be put up to remind residents that spraying will take place.

Please contact the Welgevonden Estate office on 021 889 5450 if you require more information.

Best regards

Gawie Marx
Estate Manager
